

The IHA Mission

Uniting Herb Professionals

IHA engages, facilitates, and celebrates the growth of herbal endeavors using mentorships, networking, information technology, and education. It establishes industry leadership by identifying, cooperating, and linking with other like-minded entities.

Grow with the International Herb Association

IHA members represent literally every profession in the herbal community around the world. The

IHA is a professional trade organization providing education, service, and development for members engaged in all aspects of the herbal industry.

We invite you to join the IHA today, so you can...

Grow your business and connect with other herb professionals!

IHA Goals and Objectives

- . Unite herb professionals for growth and education
- . Choose and promote the Herb of the Year™
- . Represent all segments of the herbal industry
- . Be an information resource center
- . Facilitate networking through social media and conferences
- . Be the recognized “Standard of Excellence” in the herbal industry
